

California Department of Developmental Services Regional Center Oversight Dashboard

Fair Hearings

The fair hearing process is used to resolve disputes regarding eligibility, the nature, scope, or amount of services and supports, or any decision or action of the regional center for consumers or applicants who are age three or older.

Statewide per capita

The chart shows the number of administrative fair hearings, separated by service and eligibility issues, statewide for every one thousand consumers served. Both types have decreased over the last three years.

2014-15	Services	0.86	Eligibility	0.29
2015-16	Services	0.67	Eligibility	0.26
2016-17	Services	0.51	Eligibility	0.34

By regional Center per Capita

The Chart shows the number of administrative fair hearings, separated by service and eligibility, for every one thousand consumers served by each regional center.
